possible, extend to the Customer the benefit of any warranty, guarantee or indemnity given by the party supplying the goods to Plasan.

10.7 The Customer acknowledges that it has selected the Facility as suitable for its purpose and entered into the Contract on the basis of its own enquiries and not on any description of the Facility or any statement regarding the Facility made by Plasan. Plasan does not let the Facility with or subject to any condition or warranty express or to be implied by statute as to the description, quality, repair or fitness for purpose (even if previously advised by the Customer) and all such conditions and warranties are hereby expressly excluded, to the maximum extent permitted by law.

12.3.1 death or personal injury caused by Plasan's negligence; or

12.3.2 fraud committed by Plasan (including fraudulent misrepresentation); or

12.3.3 any other matter which it would be illegal, or in breach of any statutory provision, for Plasan to exclude or attempt to exclude its liability for.

14.2 Plasan reserves the right to inspect any Customer Resources which Customer wishes to deliver to any Plasan premises and to refuse them entry if Plasan considers them to be unsafe or pose unacceptable risks of injury or damage to persons or property.

14.3 The Customer shall meet any reasonable costs incurred by Plasan resulting from the rejection of such Customer Resources by Plasan and Plasan shall not be liable for any costs or delays to the Contract resulting from any decision under this Clause.

14.4 Plasan may at any time make any changes to the Services which are necessary to comply with any applicable safety or other statutory requirements, or which do not materially affect the nature or quality of the Services. Plasan shall within a reasonable time notify the Customer that such changes have been made. In the event that changes are made to the Services resulting from safety or other statutory requirements which become effective after the date of the Contract, then the reasonable charges associated with such change shall be to the Customer's account and Plasan shall be entitled to a reasonable extension of time for performance of the affected Services.

15. COMMERCIAL CONFIDENTIALITY

15.1 Without prejudice to the rights of either Party arising elsewhere in the Contract, all Proprietary Information exchanged between the Customer and Plasan (including that contained in any Customer Resources and Deliverables) shall be treated as commercially confidential in accordance with this Clause.

15.2 Neither Party shall use, disclose or knowingly permit to be disclosed to any person (except those employees, agents or subcontractors who need to know the information for the purposes of the Contract or to outsourced service providers to a Party who need to know the information for the purposes of providing services to that Party) any Proprietary Information of the other Party without the prior written consent of the other Party and both Parties shall ensure that such employees, agents or sub-contractors are subject to like obligations of confidentiality as bind the Parties.

15.3 The obligations of confidentiality owed by one Party to the other set out in this Clause shall remain in force despite the completion (or earlier determination) of the Contract but shall not apply to information which:

15.3.1 is in or enters the public domain (otherwise than by a breach of the receiving Party's confidentiality obligations under the Contract);

15.3.2 is known without restriction to the receiving Party at the time of disclosure without breach of any obligation of confidentiality;

15.3.3 becomes known to the receiving Party without restriction from an independent source having the right to convey it; or

15.3.4 is shown to the reasonable satisfaction of the originating Party to have been generated independently by the receiving Party.

15.4 Nothing herein shall prevent the disclosure of information by the receiving Party to the extent required by applicable law or by the regulations of any stock exchange or regulatory authority to which such Party is subject or pursuant to any order of court or other competent authority or tribunal PROVIDED THAT:

15.4.1 the receiving Party first gives the other Party, where possible, the opportunity to make and/or manage the necessary disclosure;

15.4.2 where the receiving Party is required to make the disclosure itself, the disclosure made is the minimum required (having regard to

all possible exemptions from disclosure) and is made under maximum possible constraints of confidentiality; and

15.4.3 the other Party is provided with full information on the intended disclosure and is fully consulted.

15.5 This Clause shall not apply to the disclosure of any Proprietary Information contained in any Deliverables to the extent that such disclosure is reasonably necessary for the exercise by the Customer of the right referred to in Clause 6.3.

15.6 The Parties acknowledge that damages would not be an adequate remedy for any breach of this Clause and that (without prejudice to any other rights or remedies that the Parties may be entitled to as a matter of law), both Parties will be entitled to seek the remedies of injunction, specific performance, and other equitable relief to enforce the provisions of this Clause and no proof of special damages shall be necessary for the enforcement of the provisions of this Clause.

16. TERMINATION

16.1 Unless terminated earlier in accordance with this Clause, the Contract shall automatically terminate at the end of the Term.

16.1.1 Without prejudice to any rights of action or remedy which have accrued or shall accrue, either Party (the "Terminating Party") may at any time by written notice (in accordance with Clause 22) terminate the Contract if;

16.1.2 the other Party is in breach of any material obligation under the Contract (which shall include non-payment of any sum due) and if the breach is capable of remedy, the other Party has failed to remedy such breach within thirty (30) days of written notice to that Party requiring remediation of the breach; or

16.1.3 any distress, execution or other process is levied upon any of the assets of the other Party; or

16.1.4 the other Party enters into any compromise or arrangement with its creditors, commits any act of bankruptcy or if an order is made or an effective resolution is passed for its winding up (except for the purposes of amalgamation or reconstruction as a solvent company) or if a petition is presented to court, or if a receiver and/or manager, administrative receiver or administrator is appointed in respect of the whole or any part of the other Party's undertaking or assets; or

16.3 The provisions of Clauses 4.2, 5.5, 5.6, 6, 7.2, 8, 10, 12, 15, 17, 19, 20, 23.5 and 24 shall survive the expiry or termination of the Contract together with any other provision which by the nature of its terms is implicitly intended to survive expiry or termination.

17. FORCE MAJEURE

17.1 Plasan shall not be liable for any failure to perform, or any delay in performing, its obligations if the failure or delay is due directly or indirectly to any cause beyond the reasonable control of Plasan, which shall include but not be limited to the following:

17.1.1 any act of God, fire, flood, explosion, accident, war, governmental actions, strikes, civil disturbance or emergency;

17.1.2 any major plant or equipment or power failure or shortage which has a material affect on the operation of a facility; or

17.1.3 the postponement of any trial or test as a result of adverse weather or unsafe conditions.

17.2 In the event of failure or delay arising from such circumstances, Plasan will provide full details to the Customer and shall take reasonable steps to mitigate the effect of the delay. Performance of the Contract shall be suspended for such time as the delay continues.

17.3 Either Party may terminate the Contract upon written notice to the other Party and if the event of Force Majeure lasts more than 180 days. In such event the Parties shall, subject to the provisions of Clause 16.3, be released from all obligations under the Contract and the Customer shall pay to Plasan within seven (7) days: (i) all outstanding payments invoiced by Plasan under the Contract at the date of termination; (ii) any amount due pursuant to Clause 4.3; and (iii) in addition a fair and reasonable price for work done or in progress but not invoiced for at the date of termination.

18. ASSIGNMENT

18.1 The Customer shall not be entitled to assign the Contract or any part of it without the prior written consent of Plasan.

18.2 Plasan may assign the Contract or any part of it to any person, firm or company.

19. PUBLICITY

19.1 Neither the Customer nor Plasan shall without the prior written consent of the other Party; (i) make use of the other Party's name; (ii) make use of the name of any of the other Party's personnel, customers or agents; (iii) make use of any information obtained under the Contract for publicity purposes; or (iv) refer to the other Party or the Contract in any

20. DISPUTE RESOLUTION

20.1 If any dispute arises out of or in connection with the Contract ("**Dispute**") the Parties undertake that, prior to the commencement of any legal proceedings pursuant to Clause 24, they will seek to have the Dispute resolved amicably by use of an alternative dispute resolution procedure acceptable to both Parties. Either Party will be entitled to initiate the process by written notice to the other.

20.2 If the Dispute has not been resolved to the satisfaction of either Party within thirty days of initiation of the procedure pursuant to Clause 20.1 or if either Party fails or refuses to participate in or withdraws from participating in the procedure then either Party may deal with the Dispute through legal proceedings issued in accordance with Clause 24.

21. EXPORT LICENCES

21.1 Plasan shall use reasonable endeavours to obtain all necessary export or other licences, consents, clearances and/or authorisations (together, the "Export Licences") required in order to sell and export the Services and Deliverables.

21.2 The Customer shall, at its own cost and expense, assist Plasan in obtaining an end-user certificate, undertaking or such other information as shall be reasonably required by Plasan to pursue any application for Export Licences.

21.3 Each Party shall comply with the terms or requirements of any Export Licences, end-user certificate or any other trade control legislation or regulations, which apply to the export, import or use of the Services or Deliverables.

21.4 In the event that such Export Licences are not granted or are revoked, then:

21.4.1 such event shall be deemed to be a Force Majeure event under Clause 17 and Plasan shall have no liability to the Customer for completing the sale of any Services or Deliverables affected by such Export Licences, or for any loss, expense or damage whatsoever suffered by the Customer; and

21.4.2 notwithstanding Clause 17.3, Plasan may, by notice in writing to the Customer, immediately terminate the Contract or any part of it relating to the Services or Deliverables in respect of which the Export Licences have not been granted or have been revoked.
